# DT10 TRIDENT, S682 GOLD E BORN TO WIN

## DT10 TRIDENT SUPERPROFESSIONALS

Traditional cross bolt locking system.

Drop out trigger (spare trigger available on request).

Characteristics, dimensions, weight, balance, point of impact ... Everything in the new competition over & under Beretta DT10 Trident, has been studied, with the maximum professionalism, to satisfy the technical requirements of the target discipline that it has been designed for. Manufactured with the utmost care, the DT10 Trident shotguns are unbeatable in performance, safety and ergonomics. They are extremely reliable, long lasting, handsome and functional. Some models feature standard or, on request, an adjustable Memory System stock.

## S682 GOLD E EVOLUTION ACTUALLY ....REVOLUTION

After years and years of success on the Clay Target Shooting scene around the world, the Beretta S682 Gold E competition shotgun is the focus of modern restyling and several project refinements that gives this shotgun an even more appealing look and competitive performance. Like the DT10 Trident, the S682 Gold E also features details that make the difference: the barrels with the new internal profile Optima-Bore®, the progressive thin chokes Optima-Choke® and the adjustable Memory System stock.

New external chokes Optima-Choke®

Memory System adjustable stock with "carbon reinforced" support.

Suede shooting vest.

# National President's Notes

*Glenn G. Woodhatch*

### STANDING DOWN:

When you read these notes I will no longer be your National President. I have decided that I will not seek re election when the Full Executive meets for the first time in our National Office at the beginning of June.

I am doing this for a number of reasons. I believe, for the Association, for my family, and for me, the time has come for a change. Even after 8 years I still remember how proud and thrilled I was to be elected to lead the ACTA and that pleasure has not decreased. My time as President has been filled with many proud moments and the Association has progressed with the help of a very positive, strong and progressive Executive.

I have derived an enormous amount of pleasure from the accomplishments of our shooters both here in Australia and abroad, and I wish them the very best for Sydney and the future.

To the members of the National Executive, I say thank you for your support and encouragement. To all those wonderful people who have been, or still are, staff at "the office" - thank you.

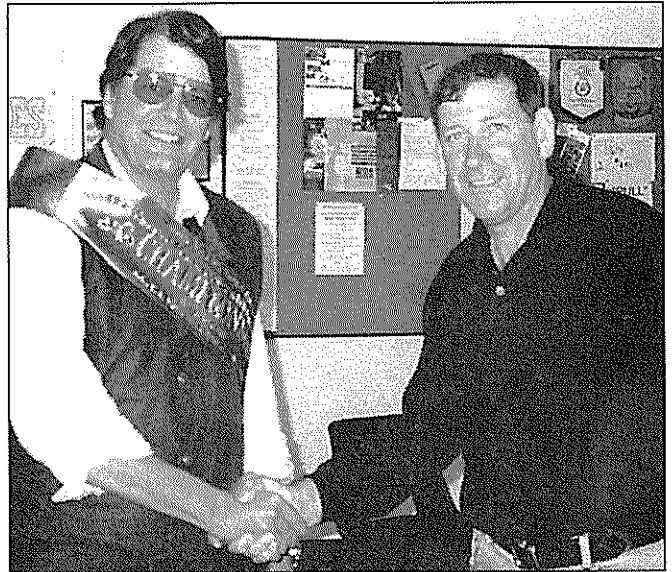

I look forward to meeting and shooting with the many friends I have made around the "traps".

Finally, to the members of the Australian Clay Target Association, thank you for allowing me the privilege of being your President.

# ACTA NATIONAL SPORTING CLAYS, 2000

The 7th National Sporting Clays were again held at the ACTA National Ground in Wagga Wagga on the 20th and 21st May. Participation at this years Nationals was increased by 62% on last year and visitors were attracted from as far away as Western Australia. Members from the ACTA, SSAA and Field & Game were all represented at these Nationals.

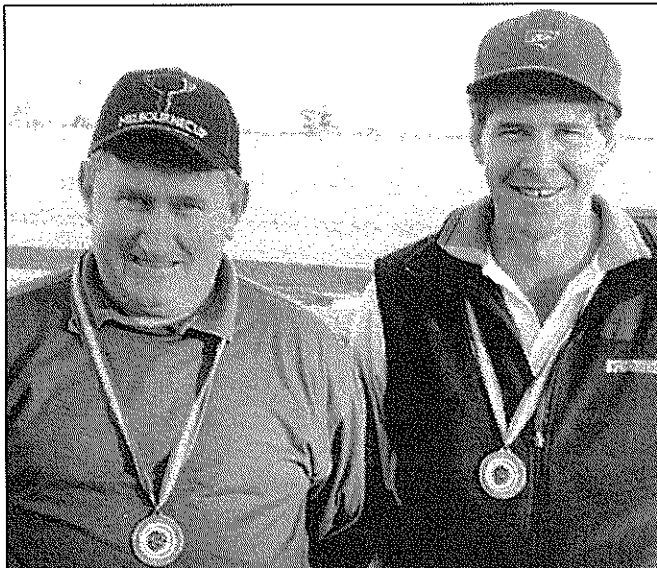

The format for the Sporting Clays Nationals was changed from previous years with the ACTA Sporting Clays Championship being conducted on the Saturday and the Commonwealth Sporting Clays Championship being conducted on the Sunday. The National Sporting Clays Champion was to be decided over both days, this proved to be very popular with those that attended.

*Overall winner Peter Muntz being presented by David Coleman.*

Saturday saw 54 competitors contest the ACTA Sporting Clays Championship in some overcast but calm weather. The overall winner of this event was Peter Tobin with a score of 96/100. The grade placings for this event are as follows: AA Grade Peter Muntz 93/100; A Grade Robert Matuch 90/100; B Grade Ashley Matuch 82/100 and C Grade Ian Swindley 70/100.

Sunday and 51 competitors braved the cool but fine weather for the Commonwealth Sporting Clays Championship. The overall winner of this event was Peter Muntz with a score of 97/100. The

*AA grade Peter Rea and Rob Williams.*

*A Grade Ian Stewart, Robert Matuch and Charlie Battisti.*

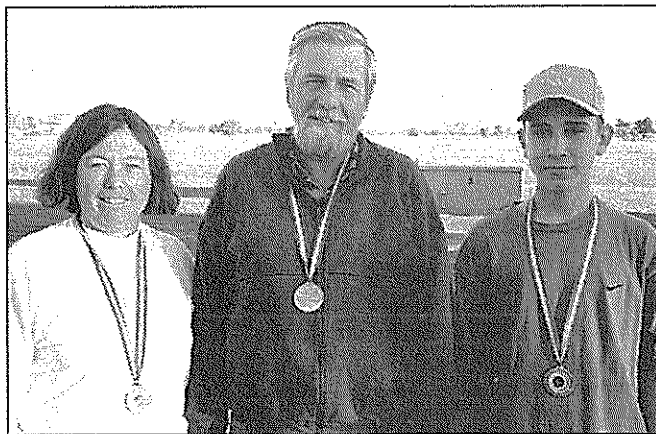

*B Grade Glenn Fella, Wes Thomson and Ashley Matuch.*

grade placings for this event are as follows: AA Grade Mårtey Seymour 93/100; A Grade Robert Matuch 92/100; B Grade Wes Thomson 87/100 and C Grade George Chrysostomov 65/100.

#### National Sporting Clays Champion

With Ladies, Juniors and Veterans well represented all divisions were keenly contested. Field & Game member Alison VanRee secured victory in the Women's division with a score of 129/200. Another Field & Game member, Ashley Matuch took out the Juniors division with a score of 163/200 and Bryan Sanger from Melbourne GC was successful in the Veterans division with a score of 162/200.

*C Grade Alison VanRee, Ian Swindley and George Chrysostomov.*

*L/J/V Alison VanRee, Ashley Matuch and Bryan Sanger*

Field & Game member Alison VanRee also claimed third in C Grade with 129/200, second in C Grade went to George Chrysostomov from Sydney CTC with a score of 130/200, and the winner of C Grade was Ian Swindley from Canberra International CTC with a score of 133/200.

After a short shoot-off Field & Game member Glenn Fella claimed third place in B Grade with a score of 177/220 from fellow Field & Game member Ashley Matuch in second place with a score of 179/220. First place in B Grade went to Frankston Australian GC member Wes Thompson with a score of 168/200.

Third place in A Grade was taken out by Melbourne GC member Charlie Battisti with a score of 169/200. Ian Stewart from Bathurst GC was placed second in A Grade with a score of 171/200 and Robert Matuch from Field & Game claimed first place with a score of 182/200.

In AA grade, third place went to Peter Rea from Field & Game on 176/200. Second place went to Rob Williams from Albury/Wodonga CTC with a score of 181/200 from first place winner Peter Tobin from the Mildura CTC on a score of 186/200.

The overall winner and National Sporting Clays Champion for 2000 with a score over the two days of 190/200 was Peter Muntz from the Busselton CTC in Western Australia. Peter received the Royal Blue Sash and silver belt buckle for his efforts.

The ACTA would like to thank the Wagga Gun Club for their continued assistance with these Championships and in particular David Coleman who spent most of his time ensuring that the carnival ran smoothly.

The 2001 Sporting Clays National is scheduled to be held 19th and 20th May at the ACTA National Shooting Ground. All are most welcome to attend.

Used worldwide at most major DTL  
and ATA competitions.

# QLD STATE TRAP CARNIVAL — TOWNSVILLE

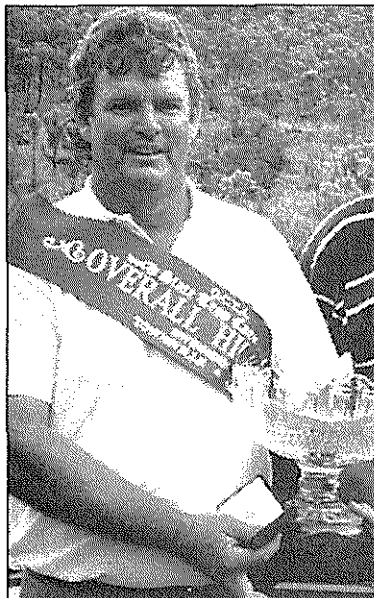

With most of the State awash and flood warnings for just about every river - Trap shooters headed north to Townsville for the 2000 State Trap Carnival. The close proximity to the just completed Trap Nationals and the weather did not dampen the spirit of the "hardy" souls !!

*Queensland State Open Trap team*

The Townsville Committee - under the leadership of Tom Comerford once again ensured that everyone had an enjoyable time - the rain went away - and the sun shone.

Completed just a few days prior to the arrival of the shooters was the new Club house - and what a great addition it has been for Club. Having secured a \$50,000 grant under the Qld. Dept. of Sport - Minor Facilities Program - the dedicated band of workers set about building their dream - the fact that they were required to install a full commercial kitchen costing around \$15,000 did not deter their drive.

*Overall High Gun Ray Collinson.*

With Representatives from the Dept of Sport and the local Town Council on hand the facility was declared open and a very "classy" plaque was unveiled marking the occasion. Club President, Tom Comerford having to watch proceeding from a chair - and give directions with his crutchers - having fallen and broken his knee whilst working on the disabled toilet a couple of weeks before.

With the Annual General Meeting conducted the previous evening - newly elected State President, Bill Allan welcomed shooters and their families to the Carnival and Shoot Marshall Wayne Reeves got the first event underway. The first event - 25

target Winchester Point Score - again strongly supported by Qld. Manager for Winchester - Bob Dupuy. From the 135 shooters - 6 possibles were recorded - and the best know veteran around - Barry Nasser from Clermont was the winner with 99/99. State Councillor - Ray Collinson (Burdekin) claimed 1st AA with 98/99 from George Sckaf (Gold Coast) 88/84.

The State Councillors again came out on top in A Grade - Rick Kennedy (Tambo) shot 86/87 from Noel Benson (Townsville). The B Grade medal was won by Tom Meadows (Brisbane) 73/75 from Mark Stoneman (Townsville) 98/102. In C Grade, Marivis Manalon (Caboolture) was the winner with 70/75 - and immediately moved into B Grade - well done. A 69/75 from Greg Nowakowski (Charters Towers) saw him take 2nd in C Grade. The womens winner was Diane Reeves - who left the scoreboard job for long enough to record 89/93. Gold Coast junior, Travis Vaina shot 73/75 to claim the junior medal and the veteran section went to Barry Nasser - 75/75.

The 50 target State Double Barrel Championship was the next event - and from 141 shooters 21 possibles were returned. The defending champion was Gary Redmond. The shoot off worked its way down to one squad - and they all looked settled in for the long haul. The Overall winner - claiming the O.W.Smith Perpetual Trophy,

Winchester Perpetual Trophy, State Sash and Silver Qld. Badge and a cash award - with 225/225 - George Sckaf from the Gold Coast was proclaimed the 2000 State Double Barrel Champion.

*Overall High Gun winners, Junior: Travis Vaina; Women: Diane Reeves and Veterans: Barry Nasser.*

George is a very loyal supporter and sponsor of our sport at all levels and a happy person you would not have found. George was pushed all the way by Alan Grimshaw (Gemfields) who was awarded 1st AA with 224/225 from Alan Poggioli (Atherton) 205/206. The A Grade award went to Travis Vaina on 94/94 from another Gold Coast member - Kevin Tunny 93/94. Mackay's Alan Love shot his first ever 50/50 to claim 1st in B Grade from Jim Edmonds (Mt. Isa) 49/50.

Townsville member Gary Dumaresq was the winner in C Grade with 48/50 from Len Carty 47/51. The Womens section was won by Diane Reeves 50/50, from Annette Vassalini (Burdekin) 50/52.

*Queensland State Veterans Trap team, back, left to right: Barry Nasser, Gerhard Hermle, Lawrence Falco, front, Lyle Vidler, Bill Lenz and George Mariner.*

*State Team high Gun winners, women: Carol Betteridge, junior Matthew Gall, State president Bill Allan, Open Ray Collinson, Veterans Lyle Vidler.*

Travis Vaina claimed the Junior Section with 50/50 from Heath Cauley (Toowoomba) 47/50. Kingaroy's, Lyle Vidler took out the veteran section with 48/50 from Barry Nasser with 47/50.

Sunday morning dawned with a clear sky and the temperature headed towards the high 20's. The day kicked off with the 50 target State Single Barrel Championship and the defending champion was Bill Iles. The 142 shooters could only manage 4 possibles. The winner to receive the QCTA State Single Barrel perpetual trophy, state sash and Silver Qld. Badge and cash award. The 2000 State Single Barrel Champion with a score of 71/71 is Ray Collinson (Burdekin) from Ross McPherson (Darr River) 70/71. Awarded 2nd in AA - Mark McInnes (Narrabri) with 62/63. The B Grade division went to Bill Gall (Port Denison) 50/51 from Carol Betteridge 49/51. Jim Edmonds (Mt. Isa) was the B Grade winner with 46/50 from

Roma's Veronika Forsythe 45/50. Another Narrabri visitor - Dean Went claimed C Grade with 45/50 from Adrian Pascoe (Townsville) 45/53. The Womens section was a real Burdekin affair - with Carol Betteridge claiming 1st with a fine 49/50 from Annette Vassalini 46/50. Although Carol probably doesn't really want it recorded - she missed her 49th target for her 49/50. The Juniors again went to Travis Vaina 46/50 from Heath Cauley 45/50. Barry Nasser was the veteran winner with 47/50 from Gerhard Hermle (Gold Coast) 45/50.

The day finished with 25 pair State Double Rise Championship -

with 137 shooters vying for the very sought after Richard Dean Memorial Trophy - along with the Olympic Target Perpetual Trophy, State Sash, Silver QLD Badge and Cash Award. With all squads completed - 4 had recorded 45/50. The Overall winner - and a very popular one at that - claiming his

first ever Silver QLD Badge was tireless worker and shoot marshal, Wayne Reeves with 55/60. The AA Grade award went to John Mack (Gold Coast) 63/70 from Mark Warnock (Rockhampton) 62/70. Western Zone Coaching Co-ordinator, Rodney Woodrow was the A Grade winner with 43/50 from David Mills (Cunnamulla) 57/70. B Grade went to Ian McHarrie (Silkwood) 38/50,

from Jim Edmonds 44/60. The C Grade section was won by Greg Nowakowski on 37/50 from Dean Went 35/50. Diane Reeves "kept it in the family" by claiming the Womens section with 42/50 from Annette Vassalini 37/50. The Junior winner was Matthew Gall (Port Denison) 46/60 from Heath Cauley 44/60. In the veteran division, Barry Nasser celebrated his birthday with a winning score of 42/50 from Lyle Vidler.

Monday morning and down to the "business end" with the State Point Score Championship and the last chance to put a good score together for the State Teams. The field of 132 shooters managed to put together 4 x 149's. The Overall winner from Burdekin - Ray Collinson with 179/180, from Col Witt (Gold Coast) 178/180 - 2nd in AA Grade was Robbie Cusack (Mt. Isa) 171/173.

Whitsunday member, Rob Dunn was the "A" Grade winner with 149/150 from Silvano Zorzetto (Townsville) 147/150. Joe Bertello (Cairns) took out B Grade on 141/150 from Glenn Reeves (Townsville) 138/150.

Normanton's Dean Reeves won C Grade with 140/150 from Troy Dennis (Burdekin) 135/150. Dean's mum - Diane was not too happy with her 139/150 but it was enough to win the Womens section from Annette Vassalini 136/150. Travis Vaina returned 146/156 to win the Junior section from Dean Reeves on 145/156. A 144/150 from Barry Nasser was enough to give him the Veteran section

from Gerhard Hermle on 132/150.

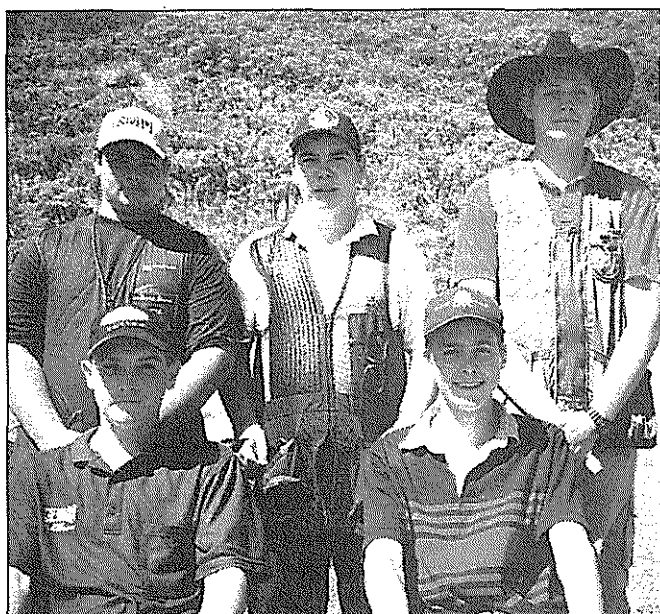

With the completion of the Point Score - the 2000 State Teams took shape. The Open Team comprises Ray Collinson, Robert Dunn, Robbie Cusack, Barry Bosworth, Ross McPherson, Wayne Reeves, Bill Koitka, Colin Witt, Alan Grimshaw, George Sckaf, Jar Sman-

iotto, Brian Palethorpe, Rick Kennedy, Roderick Cusack and Max Nicolaides.

The State Womens team is Annette Vassalini, Diane Reeves,

*Queensland State Womens Trap team, back, left to right: Annette Vassalini, Diane Reeves, Veronika Forsyth; front, left to right: Carol Betteridge, Glenys Palethorpe and Maria Bosworth.*

*Queensland State Junior Trap team, back left to right: Travis Vaina, Heath Cauley, Dean Reeves, front left to right: Matthew Gall and Rowan Woodrow.*

Veronika Forsythe, Carol Betteridge, Glenys Palethorpe and Maria Bosworth. The Juniors - Travis Vaina, Heath Cauley, Dean Reeves, Matthew Gall and Rowan Woodrow. The Veteran's - Barry Nasser, Gerhard Hermle, Lawrence Falco, Lyle Vidler, Bill Lenz and George Mariner.

All Team then completed the postal team section - and the Team High Gun winners and State Shoulder-To-Shoulder Teams were determined - the Open Team High Gun went to Ray Collinson 150/150, Womens Team high Gun - Carol Betteridge 73/75, Junior Team High Gun - Matthew Gall 74/75 and Lyle Vidler won the Veteran Team High Gun with 72/75.

The Shoulder-To-Shoulder Teams - Open: Ray Collinson, Barry Bosworth, Bill Koitka, George Sckaf and Col Witt. Women: Annette Vassalini, Carol Betteridge and Diane Reeves, Junior: Travis Vaina, Heath Cauley and Matthew Gall, Veteran: Barry Nasser, Lyle Vidler and Gerhard Hermle.

The Carnival was completed with the 25 target cash handicap and from the 155 shooters - 11 possibles were returned. In 5th place

and shooting from 23m was George Sckaf 43/45, 4th place (19m) Geoff Bryant (Roma) 37/38, 3rd place (19m) Bill Gall 52/53, 2nd place (20m) Tony Bradshaw (Werribee) 66/67 and 1st place from 11m (not any longer) Adrian Pascoe from Townsville 67/67.

The 2000 Qld. Trap Champion - established with the combined scores of the State Double Barrel, Single Barrel, Point Score and the Team Score was Ray Collinson 399/400 - great shooting.

High Gun awards - Veterans - Barry Nasser (clermont) 376/400. Juniors - Travis Vaina (Gold Coast) 367/400. Womens - Diane Reeves (Normanton) 364/400. C Grade - Troy Dennis 361/400. B Grade - Pat Coogan 355/400. A Grade - Rob Dunn 380/400. AA Grade - George Sckaf 386/400 - Overall High Gun Winner - Ray Collinson 390/400.

*State Double Barrel champion George Sckaf with Bob Dupuy (Winchester) and Bill Allan.*

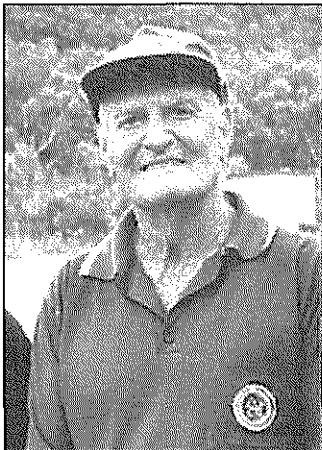

*State Double Rise champion Wayne Reeves with Merv Hass presenting the Richard Dean Memorial Trophy and Bill Allan.*

The Inter-Zone Postal Teams competition presentations also took place - in the Open Teams - 4th - Western Zone 137/150, 3rd - Northern Zone 145/150, 2nd - Central Zone 148/428 points, 1st - South-East Zone 148/439 points - the team members - Karl Nasarenko, Drew Maywald, Brian Minos, Ken Stevens, Geoff Fett and John Mack

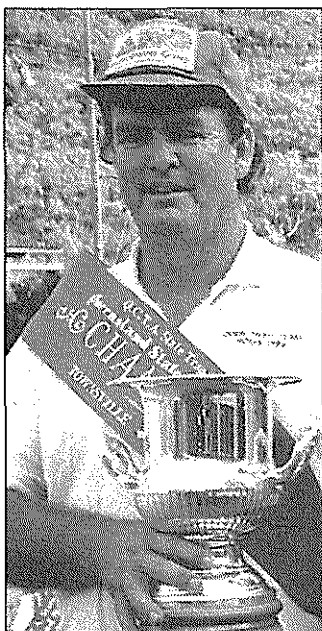

Womens Teams - 4th - Northern Zone 65/190 points, 3rd - South-East Zone 65/193 points, 2nd - Western Zone 66/75 and the winning team - Central Zone - 68/75 - Irene Cross, Katrina Cutting and Vere Storch.

Junior Teams - 2nd - South-East Zone 60/75 and the winning Team - Western Zone 69/75 - Rowan Woodrow, Byron Smith and Matthew Spargo.

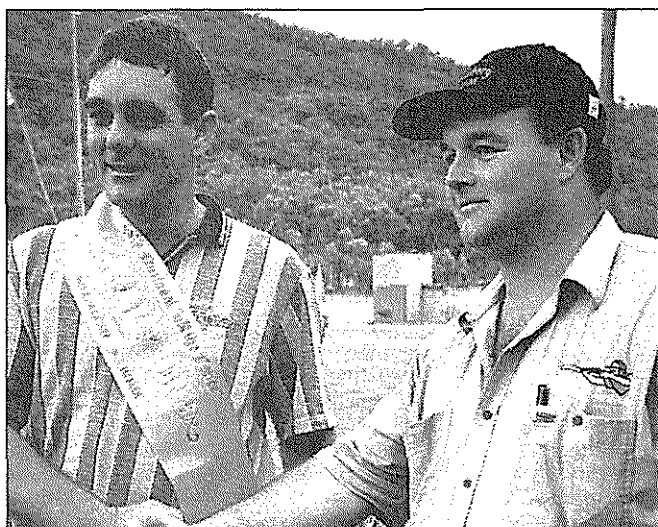

The Two Person Teams competition conducted over the entire Car-

nival Program was won by Ray Collinson and Barry Bosworth - 767/800.

With another Carnival competed - some interesting "stats" - The Reeves Family - Dad Wayne, Mum Diane and Son Dean - earned spots in the Open, Women and Junior State Teams respectively. Brothers Robbie and Roderick Cusack both made the Open State Team. In the State Double Rise - Wayne Reeves won overall and his wife Diane won the womens section. In the State Single Barrel - Ray Collinson won overall and his partner Carol Betteridge won the womens.

The home Club Townsville had 28 members take part - followed closely by the Burdekin Club with 21 - the next highest club representation was from the Gold Coast who had 13 members present - a remarkable effort considering some 15 hours travel time involved to get them to Townsville.

State Council have again been requested to look at a date change for the Trap Carnival - a difficult prospect as always - however, the matter is an agenda item for the next Council Meeting and will know doubt be throughly investigated.

The 2001 Carnival returns to the Western Zone and the Host Club will be the Kingaroy Clay Target Club - this Club has also been working hard on improvements - seeking out funding grants to off set their costs.

To the Committee and Members of the Townsville Club - a sincere thanks for your hospitality and presentation of your facilities. The Office Team -

Peter Field, Ross Gundry, Carol Betteridge - scoreboard Diane Reeves and Shoot Marshall Wayne Reeves - thank you all for again ensuring the smooth running of the Carnival. Thanks also to all the shooters - particularly those who travelled so far and added to a very enjoyable Townsville visit.

In closing - mention must be made of the "special" presentation made by Immediate Past President, Robert Nugent to incoming President, Bill Allan - although a little overdue a "shocking" pink sash was presented to Bill - on the occasion of his memorable win in the "National" Off the Fence Championship conducted during the 1999 Trap Nationals at Roma. Unfortunately for him - Bill kept mentioning that he "didn't even get a sash" - so a suitable occasion was earmarked and the "unforgettable" sash was ordered. Although, the condition was that the sash was to be worn for the whole day - Bill must have treasured it so much - he very quickly removed it and put it in a very safe place !!!

Looking forward to seeing a huge turn out at Kingaroy in 2001.

## Paw Paw Harvest

Well, hello Paw Paws. It seems ages since we have had any official contact, and I suppose you are all wondering what we are doing cropping up in the Shooters' News. With the rapid expansion of our once elite club (membership is now over the 200), the costs of sending out our usual newsletter were becoming quite prohibitive. I hope that this form of contact is acceptable to all of you, as we would like to keep the profits going to the areas that they were originally meant for.

In the department of donations, another donation of \$1000-00 was made to the Royal Flying Doctors' Service, due mainly to the generosity of the shooters at the Scrubby Creek 2 day Annual shoot. Due to inclement weather, it was not possible for the Club to host one of the advertised events. When the shooting was over, the club offered the shooters a refund for that event. The first shooter said, "Give to the Paw Paw Club". So it came about that all the shooters followed suit and the Paw Paw Club brought the balance up to the \$1000-00 mark and then this was donated to the local R.F.D.S. entrant. Let me just say thank you to the shooters that were in attendance that weekend. This generosity is what makes a Paw Paw Member.

On another point, the Club purchased the last batch of metal badges out of its funds. In the past, members have generously donated all these. We probably have 2 options. One being that we continue to ask for these badges to be donated, which I think is a big ask as they cost over \$300/per 50. The other option is that we offer only one badge of either variety per membership. The reason being that the 2 badges plus postage is nearing \$15-00. This doesn't really leave much of a kitty for donating. After discussion with the Executive Committee (well part thereof), this was the option we decided on.

There are 15 caps left for sale at a remarkable price of \$20-00. If you don't have one yet, perhaps you could buy one of only 50 caps ever made. Send orders to Madam Paw Paw care of "Bexley" LONGREACH 4730. Please include \$4-00 for postage.

Just in closing, if you are reading this and have no idea what a Paw Paw is, let me tell you. A Paw Paw is a member of a club that I believe all shooters would love to be involved with. They have integrity, generosity and a real passion for the sport of shooting. Through all of this, they have a great time missing targets just so that they can donate some money to charity. If you travel around enough with your shooting, be careful - there are Paw Paws everywhere. They would have great delight in welcoming you to become a member of our illustrious club.

# COWRA GUN CLUB REPORT

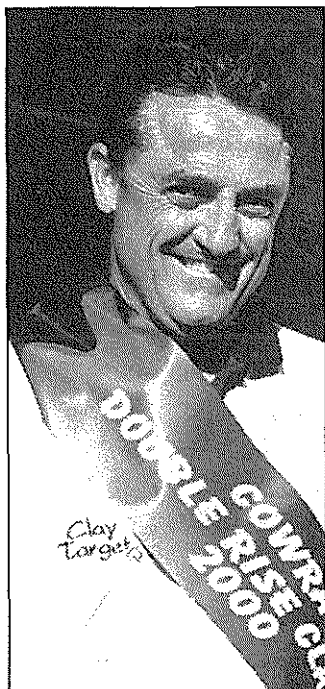

Dick Toshack Memorial Shoot, left High Gun winner Joe Cattabiano and Dick Piotrowski.

The Cowra Gun Club recently conducted the NSW Night Single Barrel title in good autumn weather.

Paul Lyons from Canberra swept all before him in taking out the State title plus the two major events conducted during the afternoon, the Central Tablelands Single Barrel and Double Rise. To win the State title, Paul had to survive a shoot-off with J.W. Smith.

Although Paul won three events, the overall High Gun went to Gary Tabain of Leeton.

The Jackpot Handicap event, which appears on the programme each month at Cowra Gun Club, was won by R. Slaven of Lithgow.

Michael Lyons of Canberra who won the Cowra Double Rise Classic (100 pairs).

Winner of Dick Toshack memorial Champion of Champions event Tony O'Leary with Gwen Clark (Toshack).

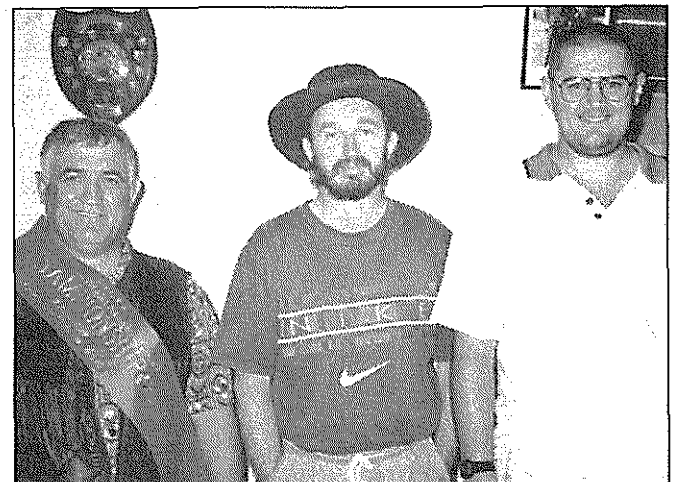

On 30th April we conducted a 100 Pair Double Rise Classic, with Overall plus section winners. On the occasion, Michael Lyons took the honours, with Paul in 2nd place.

In May, an excellent lineup contested the Dick Toshack Memorial

NSW State Night Single Barrel champion Paul Lyons from Canberra (left), with Cowra president Glenn Sinclair.

Champion of Champions event, which was won by promising young shooter Tony O'Leary of Cowra. This result was particularly gratifying, as Dick coached Tony when he first commenced shooting clay targets.

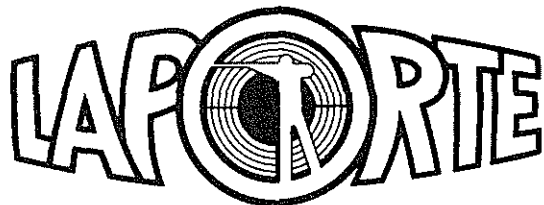

NSW Night Single Barrel championship shoot prize winners, from left, Paul Lyons, Gary Tabain and R. Slaven.

High Gun for the day was Joe Caltabiano from Orange, who won the honour after a shoot-off with Dick Piotrowski from Blayney.

We have had a busier than usual few weeks at Cowra Gun Club, but this has enabled us to give our new Phono-pulls a good work out on all four traps in preparation for our Annual Gold Cup Shoot 5th and 6th August next. (See advert this issue)

# Maryborough Tib Bits QLD

With getting June copy away early as our April Shoot was cancelled, I find myself starting another copy early. I am now going to take the family out for Easter Dinner which will cost more than the shoot. As I haven't shot for several months I was going to test myself this shoot, but will have to wait. They say everything comes to those who wait.

Betty and Bill just married and Bill getting a bit excited as they were driving to the Gold Coast for their honeymoon, put his hand on Betty's knee and gave it a squeeze. Betty said, you can go a bit further now that we are married, So they ended up in Sydney!

There was also this couple whose passion had waned a fair bit, so they decided to consult a marriage guidance counsellor. After several visits without any progress, the counsellor suddenly took the women into his arms and kissed her passionately. Then he said to the husband, that's the sort of treatment your wife requires. I suggest every Tuesday, Thursday and Sunday. The husband replied - I can bring her Tuesday and Thursdays, but I shoot every Sunday.

The other end of marriage was this 75 year old wife who found her husband in bed with another woman. Furious, she dragged him to the balcony of their 12th floor flat and pushed him over. At the hearing she pleaded not guilty. "Well: she told the judge "I figured if he could make love at 93, he could fly too!"

## BIG SHOTS IN THE AREA FOR JULY.

2nd Chinchilla 1 Day Trap. 15th & 16th Sunshine Coast Annual Winter Trap. 29th & 30th Central Burnett Western Zone Trap & same weekend Gold Coast South East Zone Skeet. Best of luck to all shooters.

### 23-4-00

We were to shoot but lack of members as most were going away the shoot was cancelled. There is always someone who doesn't get the information. I had a phone call at lunch, which was the father of one of our trappers who turned up. He told of a Sunshine Coast shooter also coming for a shoot. He described the vehicle and it sounded like Craig, but just guessing. To who ever it was and to anyone who turned up we apologise for any inconvenience caused. Free cup of tea next shoot.

Well Harry's luck isn't changing early in Easter break. His TV went on the blink, so no TV all Easter. A bit cold Saturday, so put on the heater, but wouldn't stop heating, so is well done one side. You must win lotto soon Harry.

### 27-4-00

#### THE DAY THE BIBLE ARRIVED.

With all the Easter holidays, I thought CTSN would be late this month, so congratulations to our staff on getting it away on time. In MTB my stay in hospital said 4 days. I wish it had been, but it was 44 days. Another good "Your Say" column and great to see young shooters coming up through the ranks.

### 30-4-00

Phone call from John Butters. Thanks for the call John, and John tells me he doesn't talk shooting at the breakfast table any more as his wife Janice is out shooting him now. Of course you could be right John, and Janice got easy targets at Central Burnett.

### 2-5-00

Report in the Courier Mail on Olympic Selection for our Shooters. Congratulations to those who made it. It is good to know we have many shooters of this caliber, but bad luck to those who missed out.

It Also stated the morale of shooters was low because of gun laws due to Port Arthur. Don't think Port Arthur started Gun Laws. I started Clay Target Shooting in 1967, because Field shooting wasn't popular and I wanted a safe, legal, gun sport. Port Arthur was used for Gun Control when every one was emotional. So lift your spirits. You are shooting for your Country and you are in a very legal sport. I think we should congratulate all shooters on accepting Gun Laws and handling what was given to us. To try and bury the shooting, but we have survived. So best of luck fellas at September Olympics. Make it Gold, Gold and more Gold.

I was at the bank the other day when the teller said to me, here comes that little old lady. She has been in the last 2 days and asked the same question. So after I was served I stood aside and the little old lady said "Could I see the Manager please?" The teller said, as I told you yesterday, the manager is dead, he died, and the day before that I told you,

he is dead, he died. Now I am telling you again he is dead, dead, dead. Do you understand now? The little old lady said: no need to shout, of course I understand I just like to hear you say it.

A phone call from Peter who told me if I rang Barry he was home. So doing so, I had a good talk to him. Keep going Barry, the time will pass. (Sorry to most readers, this is a local knowledge story).

Was going with Harry to Bundy, but received my date for angiogram, so I decided to be a good boy until I find out what is what. As I have new glasses and had my teeth filled, it would be a shame not to get full use of them.

## BUNDABERG 7-5-00

Maryborough visitors Phill Warren, Bruce Walker and Harry Walker. Harry drew the jackpot, but was unlucky. He got the old rubber target trick first and it didn't break. Better luck next time Harry.

With 50 targets off gun "Skeet" in B Grade Brain Fourro showed a clean pair of heels and shot the lot to be first and Rob Rehbein 2nd. In C Grade, Kaye Rehbein 1st & Ryan Howie 2nd. In the trap in AA Grade Mike Tipman, put his claim to DB C/Ship OA & AA, Graded H/C & Cont. Rob Rehbein took PTS & OAHG. In A Grade Gino Sergiacomi cleaned up the DB C/Ship while Phillip Warren took the rest PTS, Graded HCP & Cont. In B Grade it was spread out to Ryan Howie Pts, Bill Hannenber Cont, and Bradley Allen took both DB C/Ship & Graded HCP. C Grade Spencer Plath PTS, Larry Bray Cont and Adam Gardner D/B C/Ship & Graded HCP. Thanks Kaye for the results and thoughts in foot note. Bundy Shoot July 2nd. Skeet 9.00am, Trap 12 noon, DB, SB, G H/C, Mixed C/Ship.

## GYMPIE 14-5-00

One Day Shoot - Thanks Wal for the results and being a good host. It was good of you to let your visitors win after getting into three shoot offs. With great weather it was a shame the numbers were down from last year, with 39 shooters. The visitors were: Irvine Wynyard (TLGC), Phillip Warren, Bruce Walker, Ian Robertson, Harry Walker, Vince Dollisson, Trevor Cecil (Maryborough), Brian Fourro (Bundy), Frank Robinson (Central Burnett), R & D Pennisi & H Potts (Brisbane), Allan Steggman (Caboolture), Gary Schneider, Robert Kutusch and Todd Vidler (Kingaroy), Geoff Fett, Bret Brown, Steve & Bob Davison, Greg Nagy & Craig Morris (Sunshine Coast). Thanks all for coming.

Results in the S/Stakes - too many to call. Then the DB C/Ship: OA Gary Carew (Good shooting Gary), AA Grade 1st Phill Groves, 2nd Geoff Fett. A Grade 1st Phill Warren, 2nd Bret Brown. B Grade 1st D Pennisi, 2nd Chris Post. C Grade 1st Tom Brereton, 2nd Robert Webb. 30T MEDLEY: AA 1st Geoff, 2nd Irvine Wynyard. A Grade 1st Phill Warren, 2nd Gary Carew. B Grade 1st Matthew Post, 2nd D Pennisi. C Grade Robyn Newsham, 2nd Harry Walker. 25T HCP: 1st being 5 cases of Ammo was Allan Stegman, 2nd Bruce Walker, 3rd Glen Durre and 4th Brian Fourro.

High Guns for the day: OA Geoff Fett, AA Irvine Wynyard, A Gary Carew, B Matthew Post, and C Harry Walker. Ladies Robyn Newsham, Vets Dennis Carew, Junior Matthew Post.

Gympie shoot 9th July DB, DB PTS, H/C, Cont. Thanks Wal.

I have two reasons that I can't get Maryborough shoot in this copy. The first we shoot too late in the month to get it in time, the second I will be tucked up in bed in Prince Charles having my Photo taken. Sorry I couldn't get it in this copy, but two exciting results next month.

Andy, who keeps our traps working is a great manager of the car company he works for, but as a car salesman - I don't know!

There was this lovely young lady walking around the used car yard and as no salesman was looking after her, Andy thought this is where I make a sale. So after talking for a while, he said to the young lady - this car runs so smoothly you can't feel it, so quietly you can't hear it, so perfectly you can't smell it, and so fast you can't see it. So the young lady said - if I can't feel it, hear it, smell it, or see it, how the hell do you know where it is?

Maryborough shoot July 23rd DB, Pts, HCP, Cont.

Good shooting to all till next time.

See you at the shoots

# Inaugural Disabled Clay Target Shooting Nationals

The Brisbane Gun Club recently held the inaugural Disabled Clay Target Shooting Nationals on the 13th and 14th April 2000. After months of planning and numerous long distance phone calls, Wednesday finally arrived. As usual, there was an early start from

home to Brisbane Gun Club to set things up. Unfortunately, numbers were down on actual early nominations. As Con the Fruiterer would say - "Doesn't Matter!"

The shooters consisted of 4 wheelchair shooters, 3 amputees, 1 incomplete paraplegic and 1 stroke victim. Squads were listed and everyone just wanted to shoot. A few words from myself welcoming everyone all the best, and we were into it.

The first event was a 25 target double barrel sponsored by Dan Moffatt of Valley Cut Price Tobacconist.

- AA: 1st C Tanner 25/25
- A: 1st R Aitchison 29/30, 2nd T Bernar 28/30
- B: 1st N Flemming 27/28, 2nd D Bonello 26/30, 3rd L Hull 24/26

C: 1st P Consalvo 22/25, 2nd D Kughtin 16/25  
The second event was a 25 target points sponsored by Mr George Sckaf of Gold Coast Shooters Supplies.

- AA: 1st C Tanner 71/75
- A: 1st T Bernar 70/75, 2nd R Aitchison 67/75
- B: 1st N Fleming 73/84, 2nd D Bonello 70/84, 3rd C Groves 62/75

C: 1st P Consalvo 59/75, 2nd D Kughtin 30/75  
The third event was a 25 target single barrel sponsored by Stevens & Sons Firearms, Carina, Queensland.

- AA: 1st C Tanner 24/25
- A: 1st T Bernar 24/25, 2nd R Aitchison 22/25
- B: 1st C Groves 21/29, 2nd N Flemming 20/29, 3rd D Bonello 18/26

C: 1st D Kughtin 16/25, 2nd P Consalvo 14/25  
Event 4 was a 25 target handicap sponsored by Bob Dupuy of Winchester Australia.

So the first day was over, and I felt a little relieved, no major problems had occurred. A check of scores and the presentations for the first day started. I could not help myself, as I presented Neale Flemming with his medal, he had

to take his hat off and I seized my opportunity to kiss his bald head. Well, the look on his face was priceless. There was many a smart comment.

Everyone had won a medal, which was more than I had hoped for, especially when shooters had traveled from Western Australia, New South Wales and various outback places in Queensland.

One shooter from Sydney showed us that you can still keep shooting under extreme circumstances. Dom Bonello would have to be one of the most determined shooters around, you see he shoots with one arm. I suggest shooters try it themselves, it is certainly not easy, especially in Olympic Trap. Well done Dom.

Everyone sat down and had a beer or two, told stories about the

ones that got away and I thought we were shooting not fishing. Slowly everyone left to get some rest for Thursday's 100 target ISSF Trap. Some shooters had not shot this before, and I think everyone would be a bit daunted by the speed of the targets.

Thursday had arrived, shooters were early. A few minor hiccups and we were away. After the first 25 was completed, I was very surprised at the scores that came in, a few 22's and 20's. I could see there was going to be a few battles for the places 1st to 5th. At the end of the 100 target ISSF Trap sponsored by Greg Newey of Warwick Outdoors and Sports, and Mr John Gilopidis of Kemen Australia and Rio Cartridges, the results were as follows:

- 1st C Tanner 83/100
- 2nd T Bernar 73/100
- 3rd N Flemming 60/100

4th D Bonello 60/100 on count back

5th L Hull 49/100

It would be very remiss of me not to list all sponsors and helpers, as the shoot could and would not have happened without their much appreciated assistance. It is now a part of history, our very first Disabled Clay Target Shooting Championships.

Mr Dexter Barnes for supplying 1000 RC Shells to be given to all shooters prior to shooting.

Vince Vaina, Tender Plus Meats

Ross Tippler

Sue Flemming for scoring and acting as referee and looking after the score board and totals

Christopher Treadway for collecting supplies and cooking the barbecue on both days

Last, but not least, to Yvonne Hill for your support and many phone calls with advice and thoughts, without it I might have given up. To the Sporting Wheelies & Disabled Association, thank you for helping with the presentations. I am not the delegate for Clay Shooting and hope to promote Clay Target Shooting with the disabled, hopefully we can obtain new members and increase our numbers for next year.

Thank you all. Good Shooting

See you next year in Sydney

# QCTA OVERSEAS SKEET CONTINGENT

An initiative of Queensland Skeet shooters to improve attendances at Zone Carnivals and generally lift the profile of skeet shooting in Queensland.

The idea was really quite simple — conduct an elimination series covering the four Zone Carnivals and the State Carnival — the

Left to right: Bill Scott, Dave Dundon, Arthur Dierke, Toby Witt and Dan Makim.

best 4 out of 5 scores off the gun to count — and the State Carnival was a compulsory venue.

Each venue was to include 100 targets — either one event or 2 x 50 — to be used for the purpose of recording scores.

The contingent would comprise 1 x AA, 1 x A, 1 x B, 1 x C and 2 Juniors.

Next, if the group is to travel overseas — money is needed. State Council made the decision that the 100 targets that each venue would carry would have the nominations increased by \$10, senior skeet shooters were to conduct raffles at each venue and any donations and sponsorship collected along the way would all go into the “pool”. Council also voted to match sponsorship received — dollar for dollar — up to \$2,000.

So, all was in readiness — score and financial report sheets were

prepared, advertising was undertaken and all that was needed was for the shooters to support their idea.

As the Carnivals came and went — numbers were certainly well up — finances started to roll in. All was looking good.

Master craftsman and true supporter of all facets of clay target shooting — Rod Prior of Tamworth donated a hand-made gun case to be raffled with a conservative value of \$3,000 — Generous Sponsorship support came from Kevin Tunny (Olimpyc Targets), Robin Loy (Warwick), Dan Moffit (Brisbane) all of which was gratefully received.

With all scores in and funds tallied, New Zealand looked the “goods”. Contact was made with their Association to ascertain the possibility of a “competition” during their 2000 Nationals Championships.

This was accepted — all that was left was to address the group, book the flights and send them on their way with the balance of funds.

Goondiwindi Cotton very kindly donated the Shirts and Top Gun Used Cars (Max and Chris Barton) donated the track suits. QCTA arranged the shooting jackets and caps.

The Group flew out to New Zealand — once everything was paid — with some \$900.00 each for expenses.

The Contingent comprised: Dave Dundon, Arthur Dierke, Bill Scott, Toby Witt and Dan Makim. Dan being the only junior to complete the required events.

The competition went well — and they won.

2000 has seen the series undertaken again — with Gold Coast and Roma already completed — Gemfields 8th/9th July, Charters Towers 5th/6th August and the State Carnival at Townsville 15th/17th September — the scores are being closely watched by everyone.

## SUNSHINE COAST CLAY TARGET CLUB

Last Sunday, the 21st May, the Sunshine Coast Clay Target Club (SCCTC) held their monthly Shoot. 30 keen shooters participated in very good shooting conditions with no wind to speak of. We had shooters travelling to the shoot from as far away as Gympie, Ballandean and one from Victoria.

Event 1 (25 targets double barrel sweepstakes) saw 5 possibles registered, all in AA grade. Event 2 (50 targets point score) required a shoot off to decide the second places in both AA and A grade. Both shoot offs were very brief with Wes Humphreys placing in AA and Scott Trafford doing the same in A grade.

In event 3 (25 targets double barrel championship), was the main event for the day. 5 shooters were required back on the walks after recording possibles including junior shooter Liam Murray. Liam and Quinto Porfiri dropped out early. Karl Nasarenko followed them after 40 targets into the shoot off. Wes Humphreys eventually won the event from Geoff Fett after a 57-target shoot off.

One of the highlights of the day was to see veteran shooter Bill Dunne winning the B Grade high gun. It has been quite some time since Bill has won a graded high gun. Well shot Bill. Pygmy McAndrew also broke through for his first SCCTC Overall High Gun. A new club member, Andy Aitchison also shot well in his first event after a number of years away from the sport.

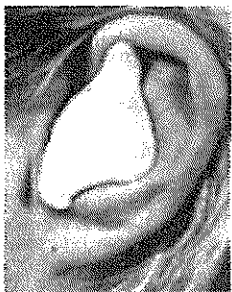

**EVENT 1: 25 Targets Double Barrel Sweepstakes**

# WORLD CUP - LONATO, ITALY May 10 to 21, 2000

## Team members

Trap	Double Trap	Skeet
Russell Mark	Russell Mark	David Cunningham
Michael Diamond	Michael Diamond	Clive Barton
Deserie	Deserie	Natasha Lonsdale
Wakefield-Baynes	Wakefield-Baynes	
Lisa Smith	AnneMarie Roberts	
Head coach	Luca Scribani Rossi	
Coach	Greg Chan	
Masseur	Darien Roach	
Manager	Yvonne Hill	

Special thanks to the Australian Olympic Committee and the Australian Sports Commission for their financial support of this team. Also to Graham Michell for his work in organising team travel, permits to pass through Singapore, liaison with the organisers of the World Cup in Lonato etc. The eight shooters in the team were, of course, the selected Olympic team for Clay Target.

Travel for the majority of the team was with KLM/Alitalia via Singapore and was reported by team members to be one of the best trips yet. The "Inscrutable one" (Greg Chan) had the forethought to bring a pack of Wizard cards with him which provided a lot of fun both on the trip to Italy and during the slack times while there.

Although advised not to take ammunition, some team members did so. Two turned up at their respective airports with the ammunition packed separately from other baggage. One was advised to put it in a suitcase, while the other was not permitted to take it on the plane. In Sydney, ground staff and the pilot, specifically, asked some team members whether they were carrying any ammunition. They were able to say truthfully that they were not.

Greg Chan and Darien Roach travelled with the team; Yvonne Hill and Luca Scribani Rossi departed Australia earlier and joined the team in Italy on arrival day.

Competition organisers had arranged a bus to meet the group arriving at Milan/Malpensa on 10th May and the Manager was scheduled to arrive at the same airport at the same time from Zurich. However, the Alitalia flight from Zurich was delayed and then cancelled due to a technical fault with the aircraft. Finally, a seat was found on a Swissair flight leaving about three hours later. This arrived in Malpensa about three quarters of an hour before the airport was closed by a general strike.

Fortunately, Alitalia provided a car and driver to transport Hill to Lonato, two hours away by road.

The weather for the duration of the team's stay was reportedly unusually warm, but we found the days to be generally pleasant and sunny with very little wind. On three occasions it rained in the late afternoon or overnight. Apart from that, the only dampener on things was the knowledge of two selection appeals hanging over the heads of three team members. This caused some anxiety throughout the competitions and, I believe, affected the performances of those who had been named in the appeals. Although a conscious effort was made to keep the worry level down until the competitions were finished the matter was on everyone's mind and was a continual topic of discussion. Messages being sent to a team member by one appellant were anything but helpful until stopped by the Head Coach. The whole thing was an unwanted and unnecessary distraction.

Prior to the start of competition, a day was spent at the Beretta factory where everyone using this brand of gun had his or her gun serviced. Beretta sent cars to take the whole team on the two-hour trip to Brescia where the factory, which has been in the same family for more than 450 years, is located. Many spares were given to the team, as well as specially fitted and matched

spare stocks. This was a very useful day for all involved and was much appreciated as was the lunch provided by Beretta.

Another half day was spent visiting the RC factory followed by half a day's training on a beautiful Range in Bologna before the start of the Grand Prix in Trap at Lonato.

The team stayed at the Hotel Vittorio in Desenzano on the shores of Lake Garda, a very pretty location south of the Swiss Alps. Meals were not available at the hotel apart from breakfast but there were many restaurants nearby making it easy to eat at a different place each night. Food was relatively expensive, even though the main fare was pizza or pasta. Those of us who liked fruit could easily spend A\$10 on only a few pieces at a nearby fruit and veg. store. Rooms were very clean and comfortable although we had to ask repeatedly for the air conditioning to be turned on because of the heat. Eventually, this was done about four days before our departure.

The Range complex was very good and the Australian team, as usual, made their home under the trees near the small café and restaurant at one end of the layouts. There were nine very good layouts, allowing four events to be conducted simultaneously on the second to last day. Range 1 was not popular because of the way the left-hand side curved around, giving a different background, which was disconcerting for some. Women drew this range for the Trap event and, in spite of Deserie's complaints about it, she still managed to win the event!

The machines were faster than Mattarellis, making them more difficult than usual, but still threw the clays the required distance.

The Opening Ceremony held at the range was short and informal. The President of the Italian Shooting Federation, who is also the Vice President of the IOC, made complimentary remarks about Australia's excellent level of preparation for the Olympic Games. The closing ceremony was even shorter and both were followed by buffet style food outside the range restaurant.

The outstanding result at this World Cup was the gold medal won by Deserie Wakefield Baynes in Women's Trap. This medal broke the drought for Deserie who, up until then, had won five bronze medals in international competition. Other performances of note included Michael Diamond's Grand Prix win followed by a silver medal in the first event - Men's Double Trap, something of a disappointment for Michael who went into the Final in first place. In Women's Double Trap, Deserie Wakefield Baynes was 7th just one target away from the Final. Lisa Smith and Russell Mark both made their respective Finals in Trap in 6th place and remained in that place at the end.

In general, the team was co-operative and cohesive and a pleasure to be with at all times. On the day before departure for Australia, Deserie twisted her ankle quite badly and spent four hours at the Day Hospital in Verona awaiting X-ray and subsequent strapping suitable for the journey home. The consolation for her was the opportunity, in spite of the cast on her leg, to attend a live "Sting" concert in the Arena, a place similar to the Colosseum in Rome, where Christians were once upon a time fed to the lions. This was just the night before the 5.00 a.m. departure for the airport to fly home, resulting in less than two hours sleep. Luckily for all concerned, the flights were not full and most team members were able to stretch out and sleep.

As always, officials were excellent. Greg Chan gave 100% to the team and it is clear that all team members respect him and listen to his advice. Luca likewise was working for the team continually and, through his excellent contacts with the Beretta and RC factories, was able to gain great support for the team. His ability to speak Italian was of great value. His efforts were greatly appreciated by all. Darien Roach was in constant demand and gave unstintingly of his time also.

Dear Sir,

On the 13th and 14th of April the Inaugural Disabled Clay Target Shooting Nationals were held.

The shoot itself was a great success. Yvonne Hill was thrilled that Clay Target Shooting for the Disabled was off the ground. Promotional work is now required to get it included in the Oceanic, World and Para Olympics.

It would be appreciated if part or all the editorial and photo's be included in the journal. The National titles will be held in Sydney next year. We can only go from strength to strength from here. Hopefully we can promote shooting further with the Disabled community. I have included a memento from our Nationals, as it is a part of history.

*Best Regards*  
*Col Tanner.*

Dear Editor

Thanks for a great shoot.

With a commitment to go to the Sporting Clays Nationals, I went about a lot of practice with my children in the paddocks at home using a couple of old hand operated traps. The weekend was a lot of fun mixed with an ambition to do well and feeling 'ready'; not knowing quite what to expect for targets prior to the event. It all came down to a mix of applying myself and basically knowing what to do.

It was a great experience, right down to the last 25! What makes this discipline interesting is that one doesn't need to shoot possibles to win, and can learn from mistakes for the next round.

The ACTA did a fantastic job in putting on the Sporting Clays National and Commonwealth Titles, and it was great to see a lot of young people there.

Hopefully next year this challenging event will attract even more of the best clay target shooters in the country, and for all grades to enjoy.

"What ought to grow but doesn't, dies" Clay target shooting in Australia is trying to hold its ground, but also making some advances - such as "Sporting Clays" and an opportunity for two or three Association to unite on a shooting Skill along with maintaining specific disciplines and strengthen our stance to preserve our right to own and use guns for legitimate purpose.

It is interesting to note that 'sporting clays' type of events held by ACTA clubs attract very good attendance's. In WA, the "Cherry Tree Pool" Shoot attracts the biggest attendance of clay target shooters in the year (frequently exceeding the numbers attending the State Carnival).

It would be great to see this event make it into the Commonwealth Games; qualifying for a place to represent Australia open to all members of the three great Shotgun Associations, along with their counterparts in other countries.

It is also possibly the best 'Spectator Friendly' shooting sport; incorporating existing facilities, only needing a few extra mobile clay throwers to compliment and not necessarily requiring a computer to program - as was demonstrated at Wagga.

*Yours sincerely*  
*P Muntz*

# CUZZO'S RAMBLINGS JULY 2000

Last month I wrote about a number of issues from the Trap Nationals. Before I started, I drew up a heap of notes to work from. By the time I had used up my word quota, I was only half way through the pile. This month I intend to continue on where I left off and address a number of other issues that I believe could use an airing.

Let's start with the two new structures that have been erected at the National Ground, since we've taken it over from the Wagga Gun Club. The new administration building, commonly referred to as the National Office, and the new nominations building, technically titled the Events Office. I personally think they are both magnificent facilities that add an air of professionalism to our organization, and are well worth whatever they cost to build. I'm glad to see the end of running our organization from a converted shop that reminded me of a sardine can, and trying to run the Nationals out of offices designed for club shoots.

However the official opening ceremony for the National Office was another matter entirely. When I first heard about it, I was a bit apprehensive and thought that it would more than likely be a pompous boring drawn-out affair that would probably be best avoided by the uncultured likes of myself. However my wife intervened at this point and administered an attitude adjustment. She reminded me that I am usually too quick to prejudge things and to jump to conclusions, which hindsight often showed to have been erroneous. With this in mind she suggested that we keep an open mind and go along.

I just hate it when she turns out to be right at times like that, as she was on this occasion. The opening ceremony itself was short and sweet, and actually quite appropriate and well done. Glenn and Andy both made relatively short concise speeches and then the guest speaker, Mr Michael Georgiou, the deputy major of Wagga, gave an interesting overview of the events that led up to the National Office becoming a reality. After which he cut the ribbon and the job was done. However, the best was yet to come.

The pre-advertising blurb had suggested that this momentous occasion would be followed by "light refreshments and entertainment". This turned out to be the understatement of the week. What followed was a full-blown party, complete with a band and dancing, much to the enjoyment of all those present, especially my wife. The entertainment that followed turned out to be a mixture of the prearranged and the spontaneous. The latter consisting of several guest singers and a poetry rendition by the Grand Australian Handicap winner, Mr Bill Forest, which nearly brought the house down.

The light refreshments turned out to be a full bar that never looked like running dry and the food went from strength to strength. It started out with the usual plates of "toothpick-spearable" goodies, along with biscuits and dip. But while everyone else was otherwise occupied, half the Roma Gun Club appeared, and with the able assistance of a contingent from Illawarra, they set up a BBQ facility as only they can do. Under the direction of their "spiritual" leader, the indomitable "Nugget" Nugent, they proceeded to feed all and sundry on a continuous basis right up until stumps. And all of this in an enormous marquee that was set up for the show in case of inclement weather, which fortunately never eventuated.

Halfway through the night, it suddenly occurred to me that this was what the Nationals had always been missing, a shooters party. Roma Gun Club and the QCTA had been smart enough to realize this last year, and to take that concept to the limit by putting on either a party or some sort of entertainment almost every night of the shoot. That's a lot of the reason why their shoot was such a success and why it is so fondly remembered by all those who attended. Upon further reflection I remembered that a shooters party is an integral part of the World Skeet Shoot program and then remembered that, in the US, a free dinner and entertainment is always provided on the Saturday night of all the Major Circuit Shoots around the country during the year.

With this in mind, I believe that a "Shooters Party", exactly like the one that followed the Opening Ceremony this year, should become an ongoing scheduled event at the Nationals every year. Provided that the National Executive can see the merit in such a concept and provide the necessary funding, the only thing left to establish is when it could best be held. After careful consideration it seems to me that the obvious time would be the evening of the Single Barrel day. This is the only day that gets started early, has no other complications scheduled and usually has its shoot-offs tidied up fairly quickly.

Now, onto another point. The Family Deauville Doubles event celebrated its twentieth birthday this year. The event is a lot of fun and all

the people who are eligible to shoot in it, enjoy it immensely. However, the people who aren't eligible have been able to see how much fun it was, and have been asking for an Open Deauville Doubles event to also be conducted at the Nationals for a long time. Unfortunately, due to the saturation of the program, this has never been possible. However, this year, due to the opening ceremony of the new National Office adding an extra day to the program, it was decided that sufficient time would be available for such an event. Thus the Commonwealth Deauville Doubles was allocated to be held at the Nationals this year, in the timeslot usually occupied by the Macintosh team Shoot.

The event was a great success with 176 people participating in it, and there could have been more. On the day of the event itself, there were people who hadn't realized it was on, running around organizing last minute partners, and still others trying to enter after nominations had closed. During and after the event, I heard a lot of talk about being better prepared next year and getting in some training before the event. Unfortunately, therein lies a problem. As I said, the event was inserted in the program this year to fill in the gap provided by the opening ceremony. As such, it was a one-off occurrence.

However, due to its popularity and the fact that it has been on the wish list of so many for so long, I believe we should look at ways of keeping it in the program. Under the current format, that would simply not be possible. Every day is already filled to capacity, especially the double rise day, which is the obvious slot for it. That day already bulges at the seams by having the Macintosh Team Shoot in the Morning and the National Double Rise and the Family Deauville Doubles in the afternoon. Such a full agenda often causes the end of the Deauville Doubles qualifying to be done in the half dark, thereby compromising its equity, and then the shoot off is usually done under lights, when nearly everyone else has gone home. Maybe there's a better way!

Perhaps a rearrangement of the program is warranted. Maybe, on the day after the Pointscore, we could shoot the Macintosh in the morning, then reset the traps and shoot the Open Deauville Doubles in the afternoon. Then the following day we could shoot the Double Rise in the morning and the Family Deauville Doubles in the afternoon. That would allow sufficient time for all events and provide at least one event each day that everyone was eligible to shoot. And while we're contemplating a reshuffle, why can't we eliminate resetting the traps twice, from singles to doubles and back again. Years ago we shot the Double Rise last, and I think that was a much better format for a number of reasons. So where would we put the Champion of Champions, which is currently last? What about before or after the Handicap and before the Double Barrel. That would then tidy up both the "non 15 meter" Titles before we started on the "big three"- the Macintosh qualifying events. Chew it over for a while and then pass your thoughts on to the Executive.

National High Guns are usually a pretty simple affair. First only in the Overall and the three divisions, with shoot-offs usually not being required. However this year a sponsor materialized for three places in all four grades and so graded High Guns eventuated for the first time. The unforeseen offshoot of this was that numerous graded High Gun shoot-offs became necessary on a rainy Thursday afternoon when everyone was trying to get away early. Technically this would have required a long and complicated shoot-off format to be initiated and another trap to be set up for Double Rise. Instead I suggested to the Tournament Director and all the participants involved, that with their blessing and a little poetic license, maybe invoking an NSSA shoot-off rule might be prudent under the circumstances.

That rule dictates that if all the participants involved in a shoot off offer management a mutually agreed upon method of determining the places, management may accept. With that in mind I suggested that instead of running the normal 45 target sequence in the shoot-off, maybe the much simpler 15 target sequence of the Champion of Champions might provide an equally equitable but much more expedient result. To say that they were all enthusiastic about this option would be an understatement, and thus we got the shoot-offs over, the presentations done and everyone off home much sooner than would have otherwise been the case. The point here is that we could probably do with a similar rule written into our book as soon as possible. Think about it and then let the rules committee know what you think.

Now, to change the subject. At the AGM of the Skeet Shooters Association last November, three main objectives were set for the year. Establishing a web site, aligning ACTA Skeet Rules with NSSA Skeet Rules and running a Demonstration Shoot along NSSA guidelines. The web

site is now up and running thanks to Max Weston and Peter Vosper. The ACTA Management Committee have agreed, at least in principal, to a rules alignment and now, thanks to George Petrou, an NSSA style shoot is being held in Sydney at the end of the month where registered targets can be shot. See the full advertisement in June's CTSN.

This month's Shooting Trivia Question: How many shooters have won National Titles in both American Skeet and ISSF Skeet in Australia? Mail your answer to Shooting Trivia, P.O. Box 265, Bairnsdale 3875, to arrive by 25-07-00. The first correct answer drawn shall receive a free entry to this year's National Skeet Championship. The correct answer to May's STQ was: The most recent shooter to complete the double of both an Australian and a New Zealand National Skeet Championship is David Dundon. The first correct answer drawn was submitted by Max Barton from Toowoomba in Queensland, who receives a free entry to this year's National Skeet Doubles Championship. Congratulations Max. If anyone has a good trivia question or an interesting subject for discussion in this column, please forward it to me at the above address.

Hope to see you at Cecil Park on the 29th.....Adrian Cousens (0418-516395)

### Annual Rural Fire Service Charity Shoot 13th & 14th May 2000

The years seem to go so fast these days and it is hard to realize that we have just completed our 19th Annual Charity Shoot in aid of the Lakesland Rural Fire Service. Much planning and work goes into this annual event and many thanks are owed to several people who take part in the hard work, none more particularly than our Treasurer Peter Thompson and his other half, Karen. Many thanks also to our Committee, and again particularly to John Nolan on whose property our club is situated.

Over the weekend we welcomed shooters from Sydney/Marconi, Illawarra, Cecil Park, Goulburn and of course, our own members.

The competition commenced at 1pm on Saturday afternoon with a 20 target P/S event. Mick Freestone from Forest CTC was the only one to shoot 60, and took A grade from N Mannix, F Auditore and L Diamond on 59. AA was taken by G Rootes with 59 from Club President Don Easterway on 58. In B grade M Channell and M Bajade tied on 58 and in C grade Robbie Byrne shot 57 to take it.

The second event a 50 target D/B saw Don McMillan take AA from Paul Farrugia, while in A grade L Diamond won from F Auditore. In B grade S Tourgelis won from B Evans and in C grade D Duiguid with 49/50 won from our 13 year old junior Emma Eagles who shot 45/50. This was a tremendous effort from Emma who has only been shooting less than six months. She has a very bright future in our sport.

That evening a magnificent dinner was catered for all shooters and guests by the Lakesland Rural Fire Service, and as usual the pit pig took pride of place. Something was missing from the flavor of the pig this year, as usual cook Mick Freestone did not officiate. Perhaps the basting did not contain the usual drop of VB.

Sunday commenced at 10 am with a 50 target P/S - cash trophy. AA grade was taken by Bob Rose, A grade by N Tourgelis, B grade by B Evans and C grade by Duiguid. By this time the wind had sprung up which made things most interesting as only it can at the Forest.

The 50 target double barrel Lakesland Rural Fire Brigade Championship provided some excellent shooting, inspite of the high winds. AA grade developed into a shoot off for placings with the results, G Kables defeating J Crompton and G Rootes.

The same again in a grade with Garry Kennerson winning from L Kohler and N Tourgelis. B grade saw G Lysaght victorious from A Malinowsky and B Evans while in C grade another junior with vast promise, 13 year old Glen Field, who also has only been shooting for 12 months, finished in front of J Agastino and J DeSilva. Overall for the day was Garry Kennerson, and Bob Rose took the Lakesland RFS High Gun Shield for the Sunday Shoot.

Altogether a very successful weekend. Numbers were down this year, but this seems to be the trends with all Clubs. Once more we will be able to make a worthwhile donation to a very worthy organization.

## Mervyn Benjamin Osmond

30/12/1910 - 24/05/2000

All members of the Clay Target fraternity who knew Merv Osmond were saddened by his death on the 24th May after a short illness.

Merv was an enthusiastic shooter and dedicated club member and all of us at Redcliffe City Clay Target Club have fond memories of Merv standing under the sign "Merv's Place", where he provided refreshments to members and visitors during our competition shoots.

Merv took on this service after finally deciding to give up competition shooting when he turned 85.

Merv joined the Kallangur Clay Target Club in the early 1980's and when that Club closed in 1988, he was instrumental in helping to set up the Redcliffe City Clay Target Club. Besides being a foundation member, Merv worked tirelessly improving the grounds and facilities to make our club an excellent place to shoot.

Merv became a Level 1 Coach in 1985 and along with coaching at Clay Target Clubs, he also coached students at Nudgee College for many years. He finished coaching in 1995 at the age of 85, but continued to shoot on a limited social basis up to a fortnight before his death.

Merv is survived by a daughter, Meryl, three grandchildren and two great-grandchildren. His only son, Allan, who was also a member of RCCTC predeceased him by three months.

"Merv's Place" will never be the same.

## James Alan Parsell

We would like to pay tribute to our friend and fellow shooter Jimmy, who suddenly passed away on 2 May, 2000.

Jimmy lived for his skeet and tower shooting, at which he excelled - and last year managed a first at the Skeet Nationals.

Always ready to help, either refereeing or scoring - and always there with a word of encouragement or sympathy.

He will be sadly missed by all who knew him.

It has been a privilege to have known you Jim.

## Joan Mark

7th July 1931 - 11th April 2000

Joan, one of Werribee's most prominent sporting identities died on 11th April after losing her battle with leukemia. Her husband Brian and sons Geoffrey, David and Russell have always used her as a role model when setting their own goals and achievements. She won a Victorian Table Tennis Championship prior to taking up her first love in sport, Golf.

Her single-mindedness and dedication to not being a loser led her to winning the Club Championship at the Werribee Park Golf Club on eight occasions spanning a decade. She was also Club Captain, a member of the Board of Management and course record holder. Russell states that her competitive nature certainly contributed to his success at the Olympics. When I was at school she taught me to play Golf and Table Tennis and made me earn every point on its merits. She enjoyed her outings to Gun Clubs throughout Australia and was fiercely proud of all her family's achievements. Werribee Park Golf Club has decided to honour her memory by sponsoring an annual event in her name.

# Weather fails to dampen successful SA State Skeet Carnival

Dry, overcast and calm conditions prevailed for the week leading up to the Carnival. Right on cue at the start of the official practice on Friday afternoon the heavens opened up, with heavy steady rain and gusty wind conditions. This extended throughout day 1 of the Carnival, but eased to calmer conditions with only minor intermittent rain on days 2 and 3.

The grounds were presented in excellent condition by the host South Australian Gun Club, with much work evident since last year - a new set of Winchester Traps replaced the famous "Kromsons" (most other traps had been fully refurbished), new concrete shooting stations, additional seating, lawn planting and ground level changes as well as the usual painting and cleaning evident.

The campers were accommodated with 2 new fire bases, but these were put to shame by the Rolls Royce model brought down by Port Augusta Skeety Robin Freebairn.

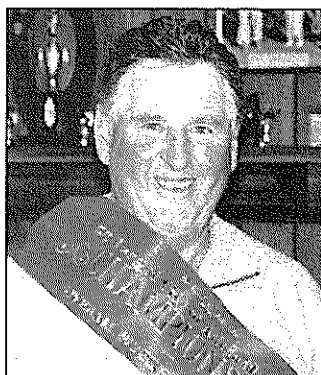

SA Open State team, rear, left to right: Alan Pearson, Wayne Channing, Michael Ryan, Fred Guyatt, Adam Goodall, Tony Famiglietti, Reg Coombes, Les Charles, Ra Kimber and Andrew Norman. Front: Tim O'Connor and Robert Dower.

Thanks to 47 shooters for contributing to the success of the Carnival. Great to welcome interstaters Bob Dagleish (always the first

36/50. Best Lady score was Karen Cousens with 44/50 and Veteran winner was Barney Rooke with 42/50.

## 2. State Skeet Handicap.

Poor conditions resulted in only 7 competitors lining up for the shoot off, but the mixture was interesting: Kevin Polst & Michael Ryan (on the wood), Sim Neoh (3) after an excellent 49, Ron Smith (4), Brian Spring (5), Les Charles (on the wood) and Daniel Burton (1). One thing stands out with the Handicaps, the shoot-offs always draw a big crowd of enthusiastic spectators. The "Bookies" had Ron Smith as favourite from Brian Spring. Like the 'Pollies' they got it wrong again.

Kevin saved on cartridges letting the first target go, Michael succumbed on Low 2, Daniel let H4 and L6 go and the 'Legend' missed the 25th (could have something to do with his home-load boomers).

leaving Sim (1), Ron (1) and Brian (4) to do battle in the second round. Ron missed out on station 4 for third prize money, Brian unexpectedly developed the 'collywobblers' on 3,4 & 5 for second leaving a very popular winner in Sim Neoh (also known as the Boundary Rider from Hell, resplendent in his full length "Dryzabone, Akubra and Mittens", but minus horse and Whip).

Day 2 saw considerable improvement in the weather and targets were flying as well as could be expected. An early start for the Zones Teams Match saw Central Zone successful with 117/125 over Western Zone 111. Ron Smith High Gunned with the solitary 25.

## 3. Festival City Skeet C/Ship.

Again scores were disappointing with Adam

to arrive) from NT, Barney Rooke back again (minus toothache) from Wagga, Karen & Adrian Cousens perennial and popular visitors from Victoria, and Marco Ponta, Clem Bertini, Shane O'Brien and Lawrie Walsh from WA. We missed stalwart Bobby Thorne from Victoria and all Skeeties wish him a speedy recovery.

## 1. State Skeet Double C/Ship.

As mentioned, conditions were pretty miserable and scores were generally a little down. However some fine shooting was evident with the 2000 Champion being Adrian Cousens with a fine 49/50. Adrian also took out 'AA' from Clem Bertini 47/50. After a short shoot-off Adam Goodall was successful in 'A' with 49/54 from Andrew Norman 48/54. Ron Smith won 'B' with 45/50 from Phil Casey 47/56, and Bob Hammatt 42/50 won 'C' from Brian Spring

Goodall taking out Overall and first 'A' with the only possible. 'AA' was a family affair with Adrian 63/64 edging out Karen 62/64, 'A' second was Ray Kimber 49/50, 'B' was won by Tim O'Connor 48/50 from Michael Ryan 57/60, 'C' saw Roy Pitt 48/50 successful from Brian Spring 55/58. Veteran winner was Barney Rooke with 65/68 from Alan Pearson.

Two happy participants — Shoot Marshall John Holder and Adrian Cousens — State Skeet Doubles champion, Carnival C/S overall winner and Overall High Gun winner.

#### 4. State Skeet C/Ship (The big one).

Conditions remained pretty good for the premier event and 5 managed the possible, all shooting superbly. First and only casualty in the first round was Andrew Norman L3, Round 2 saw Les Charles drop L3 and Ray Kimber leave L6 to breed. The light was hanging in there for the start of round 3 and the spectators were resigned to a long shoot-off as both Robert Dower and Adrian Cousens were shooting extremely well. Adrian unexpectedly dropped H5 leaving Robert with 114/114 as State Champion and first in 'AA' from Adrian. Ray Kimber 90/91 won 'A' from Les Charles 84/85, 'B' was won by Michael Ryan 47/50 from Con Marinis who failed to present for the shoot-off, and 'C' was won by Brian Spring 55/58 (having a very good carnival) from Tony Famiglietti 51/55. Karen Cousens shot the best lady score with 48/50 and Barney Rooke top Veteran with yet another 49/50. Top Club Team was the South Australian Gun Club with 245/250.

#### 5. Adelaide Skeet C/Ship.

Day 3 provided generally quite good conditions, the target quality was good and again scores were low. Clem Bertini and Ray Kimber managed the only possibles. Shoot-offs did not go very far. Overall went 1 target with Clem dropping the first target, leaving Ray Kimber as Overall winner and first in 'A' with 51/51. Clem won 'AA' with 50/51 from Adrian Cousens 63/64, Les Charles 2nd 'A' with 61/62, 'B' was won by Tony Famiglietti 46/50 from Brian Spring 45/50. Best Lady was again Karen with 46/50 and the Veteran again Barney Rooke with yet another 49/50.

This concluded qualification for the Open State Team - Ray Kimber, Andrew Norman, Les Charles, Robert Dower, Reg Coombes, Harvey Nunn, Fred Guyatt, Adam Goodall, Tim O'Connor, Michael Ryan, Wayne Channing, Tony Famiglietti, Brian Spring, Daniel Burton and Alan Pearson.

#### 6. Carnival Skeet C/Ship.

The Postal Teams was shot in conjunction with this event. The field suffered a small depletion with NOT ONE C GRADER. If the concept behind grading is to have reasonably even numbers competing in each grade perhaps the percentages need some review

for it is quite apparent that 'C' grade numbers are well down in all disciplines at most Club, State and Nationals competitions. Sufficient statistical information should be available to the ACTA Executive to investigate this and perhaps consider 'playing with the percentages'. This is a separate issue - on with the story. 3 possibilities were recorded, 2 in B grade. Overall winner and 1st 'AA' was Adrian Cousens 56/56 from Barney Rooke 192/193 (yet another 49/50). The shoot off for second in "A" between Barney and Marco Ponta was the best and longest of the Carnival with both cleaning 5 rounds. Adam Goodall won 'A' with 49/50 from Shane O'Brien 60/62, Tim O'Connor 57/58 won 'B' from Phil Casey 57/58 (Phil was ecstatic that Barney had finally fixed his long standing Low 8 problem and then blew a H2). Best lady again was a tired but happy Karen with 44/50 and Best Veteran was Allan Pearson.

The SA Open Postal Team Score was 481/500.

The top 5 qualifiers for the Open Shoulder to Shoulder team are Ray Kimber, Les Charles, Andrew Norman, Robert Dower and Reg Coombes.

Open High Gun Winner was Adrian Cousens with 295/300, Veteran High Gun Winner Barney Rooke 284/300 and Champion SA Skeet Shooter was Robert Dower 287/300.

This concluded a successful and happy Skeet Carnival. These Carnivals cannot be conducted without the efforts of many dedicated people. A sincere thank you to the SA Gun Club for the excellent presentation of the grounds, John Holder for a job well done as Shoot Marshall. John Hamer for his excellent administration, Office Work and the countless hours preparing the grounds, Phil Rowe as Handicapper, Lana Baker for a great job filling the traps and managing the scoreboard, SAGC members for providing the service (solid and liquid) in the canteen with a special mention to the trap mechanics SAGC President Dave Renney and Vice President Trevor Gurr for providing excellent targets and particularly the effort put in to keep the ailing Ibis Low-House Trap going (This trap is jinxed at Carnivals). Lastly thank you to all shooters for your participation and assistance with refereeing and scoring and most importantly the happy atmosphere of the Carnival

Hope to see you all and more next year.

# RICHMOND RIVER CLAY TARGET CLUB

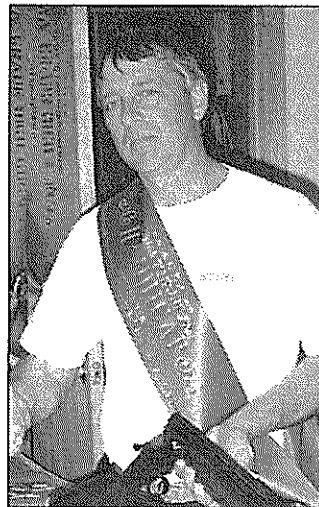

*Eric Little, Overall High Gun 190/200 with president E. Balogh.*

Richmond River Target Club held a two day shoot on Saturday and Sunday of the Easter weekend.

With a cool, blustery wind blowing on the Saturday, 8 squads lined up for the first event. With a shotgun being 1st prize on this event (50t D/B Continental C'ship) the wind played an important role in the score shots. After the 1st round, only one possible had been shot with everyone dissecting their performance before heading out for the 2nd round. As the wind picked up the 2nd round produced a couple of possibles with Matt Maloney taking out Overall with the only 50/50.

The 2nd event was a 50t D/B C'ship with Paul Zikman taking Overall with a score of 54/55.

Day 2 saw a much calmer morning with light cloud cover. Again a good roll up with 8 squads starting the day, the 1st event being a 50t Handicap with a shotgun for 1st place. 2nd to 5th was decided

*Gregg Mengel, 1st handicap 48/50*

*Mat Maloney, Overall 50T Cont championship 50/50.*

by a shootoff with Greg Mengel taking 1st and the shotgun.

The last event was a 50t D/B C'ship with Allan Clarke recording the only possible to take overall.

A special mention to all shooters who traveled to attend the shoot. Ballandean, Gold Coast, Gunnedah, Dorrigo, Guyra, Yamba and Grafton to mention a few. The tireless work of committee and club members (and member's kids) helped to make the weekend a great success with many shooters giving praise for the great shoot.

High Guns for the weekend. O/A Eric Little 190/200

AA: Peter Brown 183/200

A: Ray Turner 188/200

B: Matt Maloney 182/200

C: Matt Crimmins 168/200

All other scores can be found in the results section.

We gratefully acknowledge the sponsorship of Lovett Water, Lismore Workers Club, Suncorp Metway Bank and George Skaff of Gold Coast Shooter Supplies for the 2 shotguns.

## WALSH SHOOT'S PROGRAMME

The Mount Isa Gun Club held its monthly shoot on Sunday 14th of May.

Ross Walsh celebrated his first shoot at the club for some months by shooting every target on the trap program and winning the majority of events.

The first event contested was 25 Targets Skeet. Ross Walsh was dressed in full skeet attire including shell pouch for the first time.

Mick McGill defeated Ross Walsh in a shoot off, winning A Grade 37/37. Ron Power took out B Grade with 22/25, while Rino Zanette won C Grade with 22/25.

Event 2 was 50 Target Ball Trap. This was the first time this event had been shot for nearly 12 months. Ross Walsh shot an unbeatable 46/50 to win A Grade. Ron Power once again picked up B Grade with 40/50. C Grade was won by Mick Coleman 41/50.

The Trap Programme commenced with 50T Double Barrel. Ross Walsh continued his form with a flawless 50/50 to win A Grade. Rino Zanette shot 48/50 to win B Grade; Nick Kemp shot 45/50 to take out C Grade.

Event 4 was a 25 Target Point Score. In A Grade Rod Cusack 96/96 defeated Ross Walsh 95/96.

Jim Edmonds won B Grade with 65/75; Peter Bosel shot 65/75 to win C Grade.

Ross Walsh once again shot a perfect 25/25 to win A Grade in the 25 Target Single Barrel event. Jim Edmonds 22/25 once again won B Grade, while C grade was won by Peter Bosel 19/25.

The representation is indicative of the wide range of clients serviced by Uniserve.

Peter Whelan a Sydney shooter and managing Director of Uniserve arranged for this most enjoyable event. He was accompanied by Michael Diamond who had just returned from Italy where he won silver at the World Cup and assisted by David Carse, Evan Yanitsas (a Sydney shooter) and Leticha Clancy who are members of his staff.

The following representatives from Uniserve clients attended:  
 Alan Wiley - ETRS Pty Ltd

Michael gave a short presentation on gun safety, gun handling and trap shooting procedure. As expected his short shooting display was awesome, and this was followed by guest participation.

At the end of the shoot, host Peter ensured that any pangs of hunger or thirst problems were eliminated.

An enjoyable time was had by all and of significant benefit to the shooting movement in that four of the guests desire to return to the club for further participation in the sport. Thanks to Uniserve.

# Cohuna - Easter 2000

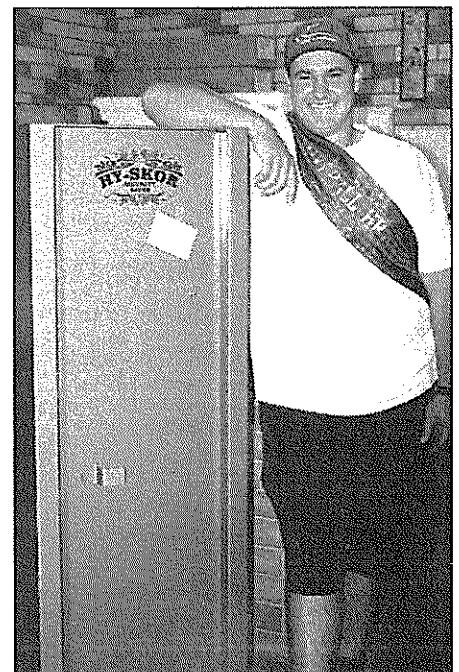

Perfect weather conditions over the Easter weekend contributed to the success of the Cohuna Clay Target Clubs Two Day Shoot. Travelers from Warrnambool, Taralgon, Cobar, Melbourne, Shepparton, Numurkah, Broken Hill passed comment on the idyllic setting of the Club, its modern facilities and manicured lawns.

Six events were run over the two days with High Gun Trophies being awarded at the end of the two days for Overall High Gun and High Gun in all Grades as well as Ladies, Juniors & Vet-

erans. With lots of forward planning the two days went smoothly and ran on time with fifty-nine shooters each day. Sixty people thoroughly enjoyed a magnificent spit

## Cosgrove Gun Club

wish to extend a huge Thank you to our recently retired secretary George Ballantine.

George took on the role of secretary in 1957 from his father Tom Ballantine, in the days when the club held hare and rabbit shoots for local charities. He has worked with the club for 33 years, joining the ACTA in 1967, and working towards the club we know today.

Thank you so much George Ballantine for a great effort.

# Psychological Characteristics of Peak Performance

*Michael Kruger-Davis*

Psychological skills training for shooting involves those topics that have been the subject of previous articles; goal setting, concentration, attention, visualisation, relaxation and competition preparedness, however before we can incorporate these into a training program it is necessary to know if there is an optimal psychological state for peak performance.

Williams (1993) believes that if such a state can be identified for programs or for a given individual, then there is a foundation for developing a mental skills program, provided these skills can be trained. She examined three sources for helping her identify the psychological characteristics underlying successful athletic performance. These are; firstly, the data generated from researchers who have asked athletes to recall their subjective perceptions during their greatest moments they ever had whilst participating in sport. Secondly, the data from studies that compared successful athletes with less successful athletes, and thirdly, information from what top athletes, coaches, scouts and sport psychologists think about what it takes to be successful in sport.

## *Psychological Characteristics During Peak Performances*

Eight mental and physical conditions have been identified by athletes as being characteristics of the feelings they have at those moments when they are doing something extraordinarily well;

1. Being mentally relaxed or in a state of inner calm. Sometimes this can be described as the sense of time being slowed down and having a high degree of concentration.
2. Being physically relaxed so that muscles feel loose and fluid.
3. Confident /optimistic; feelings of self-confidence, being optimistic and positive about our own performance. This is very important during challenging times within the competition.
4. Focused on the present. Shooting is a here and now sport and we feel a sense of harmony when the body and mind is able to work as one unit. So in order for the body to perform here and now, our minds must also be in the here and now. This means shooting this target and not the one missed (in the past) or not the ones in the shoot off (in the future). By controlling the thoughts about the future and the past the body can perform automatically without conscious or deliberate mental effort.
5. Highly energised. A high energy state is frequently described as feelings of joy, ecstasy, intensity or being 'hot'.
6. Extraordinary awareness. A state of mind that allows the athlete to be acutely aware of their own bodies and of those around them.
7. In control. The body and mind seem to do automatically what is right without the need to exert or impose control.
8. In the cocoon. This involves feelings of detachment from the external environment and any potential distractions, where the athlete has complete access to one's powers and skills.

The eight qualities listed above are those that are evident when athletes reach peak performance. But there is a difference between being a very good club competitor and being a national champion. Williams (1993) continues and describes a psychological construct referred to as flow. Flow was defined by Csikszentmihalyi when the challenge equals skill level, when one knows what to do, one has clear goals, deep concentration, a sense of being in control, and a sense of loss of time; and the activity becomes autotelic. For a competitor to be a good club competitor then they need to be in flow whereas to be a state or national champion the flow has to be combined with the other qualities of peak performance.

## *Psychological Differences Between Successful and Unsuccessful Athletes.*

Research involving Olympic qualifiers and non-qualifiers found that finalists coped more easily with competitive mistakes, were better able to control and utilise anxiety, had higher self confidence and more positive self talk, had more gymnastics related dreams, and had more frequent imagery of internal versus external nature.

External imagery occurs when the person himself/herself from the position of the external observer, for the shooter this would mean watching yourself as if on video. Whereas internal imagery involves an approximation much more like the actual perspective when the skill is being performed. For the shooter this means imagining being inside the body of the person shooting and experiencing the same sensation that one would expect to experience if one was actually shooting.

From the research that studied successful and unsuccessful athletes certain commonalities appeared in the psychological characteristics of the successful competitors. Firstly, the researchers reported that the athletes believed in themselves more and were more self-confident. Secondly, successful athletes concentrated more and were less likely to be distracted and were more task orientated in their concentration rather than being preoccupied with outcome thoughts. Thirdly, successful athletes were preoccupied with their sport in a positive way. Next, successful athletes were found to have less anxiety before and after the competition and were more able to control anxiety levels during competitions. Finally, most of the better athletes have a higher ability to rebound from mistakes.

## *What Top Sport People Think it takes to "Make it".*

When interviewed regarding what it takes to be a top sports person, there was considerable disagreement about the physical attributes necessary for excellence. However, when asked about psychological attributes there was total agreement that commitment and self control were identified as the two key ingredients for excellence.

Commitment means having the drive, determination, heart and attitude. Setting appropriate goals and being hungry helps. Self control means being able to perform well big games and tight situations as well as in normal games and situations.

Williams (1993) believe training for competitions such as the Nationals or state championships is a product of both body and mind. Just improving physical skills, strategies, and conditioning increases the likelihood of peak performance, learning to control psychological readiness and the ideal mental climate for peak performance also enhances performances.
